Over 100 organizations that work on issues related to Latin America and the Caribbean sent a letter to Democratic nominee Joe Biden and President Donald Trump calling for the next administration to adopt a new Good Neighbor Policy toward the region based on non-intervention, cooperation and mutual respect. Current policies punish innocent civilians through harsh economic

Over 100 Organizations Call on Biden To Adopt a New Good ...

The article concludes that it is a mistake to think in terms of "private property", "common property" or "public property". The division and allocation of resource entitlements in land can result in private, common and public property rights subsisting over the same land simultaneously, in different combinations and at different times.
