## **MacBook Pro (mid 2009) in-depth impressions | Engadget**

Apple is currently replacing battery for mid 2009 macbook pro for \$129.95 no labor. If you've got a store nearby, not a bad option to get them to do it right and test to make sure battery, and not have to worry about the tiny screws. I've received two different reports however - 1 genius told me they could replace while I wait in about 20 minutes.
