I have Epson R220's and do a lot of DVD printing. I'm getting the following message: "Service Required", "Parts inside your printer are near the end of their service life. See your printer documentation." It's still working. Anyone ever see this message before. I have not. Is there any "fix" or just toss when it stops printing?

This worked for me, on both of my Epson printers - (750 photo, and stylus 670). I also own an Epson R220, and if the same thing happens with it, I will use the same treatment. If you apply some cartridge flush to the the printer's waste ink pads, it will dilute, and can be removed by absorbing it on some Kitchen roll paper.
