FITNESSGRAM/ACTIVITYGRAM Reference Guide

I use the handouts to help the students set specific, health related goals after fitness testing using the Fitnessgram personal record sheets and reports. It takes them through a step by step process to help them evaluate their health in each component of fitness and set a goal for one of the fitness tests/components they need to improve.

What is FitnessGram? About FitnessGram The Cooper Institute developed the FitnessGram assessment to measure student physical fitness levels. FitnessGram assesses health-related components of fitness of more than 10 million students across the country in over 20,000 schools. How It Started Dr. Kenneth H. Cooper, the "Father of Aerobics" and founder of The Cooper Institute, recognized the need to ...

About Us - FitnessGram by The Cooper Institute

Each year, physical fitness educators collect various fitness measurements of students for the PFAI and record the data. FitnessGram® assessments are the assessment tools all Texas school districts must administer for the purpose of the PFAI. Physical fitness data must be submitted to the agency in one of two ways: 1) using FitnessGram® software or 2) using the PFAI application available through the Texas Education Agency Login (TEAL).
