Chameleons: The Languages of Law.

Words are to a lawyer what mathematics is to a physicist. That being the case, if an observer watched the goings on of, say, the Court of King's Bench in the 15th century, they might wonder how the legal system could work at all, for they would be hearing words in three languages...

Mental Health America understands that racism undermines mental health.

Therefore, we are committed to anti-racism in all that we do. This means that we pledge to work against individual racism, interpersonal racism, and institutional racism in all their forms.

A new national digital register will help our government to establish the total number of Kenyan citizens which in turn, will enable better planning and provision of public services. We will also be able to link birth registration to death registration so that a citizen's ID account can be deactivated once she/he dies.
