My Single Mom Life True

Two years ago, however, I met my now-fiancee, a fellow single mother (though not by choice) whom I met through my mom blog (yes, really). We started off as two moms blogging about our children and ended up falling in love. If I hadn't become a mother first, I never would have met my soon-to-be wife.

Why I'm a Single Mom (by Choice)

Most amazing book I've read on being a single mom. Angela is so open and honest and so much of what she said resonated in my heart. I laughed, I cried, I was very encouraged by this book. I'd recommend to anyone wanting insight into life as a single mom. Angela hits it right on the head AND directs her readers right back to God.

True ...

There are many things that are hard about being a single mom. That's not news to anyone. The obvious " I will be tired for the rest of my life" and " there's no one there to hold the kid while I pee" parts are brutal. I knew that was going to suck. Financial struggles and lack of support are a reality for many. But beyond that, the hardest parts about being a single mom for me have been the emotional battles and realizations that I've had to face.

The Emotional Battles Of A Single Mom - Scary Mommy

And I no longer feel that the loss of my birth mother is overwhelming, something also that I had felt for most of my life. This is a good thing. But at the same time, I am also sad about the closure.
