Is that really embracing the new Aeon or is it trying to make an old formula "fit" the new era. The other approach is to change the symbols into something that is meaningful today. To understand that in the multitude of binaries that conveys 0=2 and vice versa perhaps a presumption of human binary gender is actually not all that great a choice.

That would be absurd. Huge advances in science, technology and mental health science require that we adjust our thinking based on new data. It really is as simple as that. Thelema is not Magick and Magick is not Thelema. Some people have this idea: Crowley was a Thelemite. Crowley practiced Magick. Therefore one must practice Magick to be a ...

Thelema Coast to Coast - Hermetic Library

Thelema (/ θ ə ' l i : m ə /) is an occult social or spiritual philosophy developed in the early 1900s by Aleister Crowley, an English writer, mystic, and ceremonial magician. The word thelema is the English transliteration of the Koine Greek noun θέλημα (pronounced), "will", from the verb θέλω (thélō): "to will, wish, want or purpose".. Crowley asserted or believed himself to ...

It did not, which shows that a supposed astronomically induced new aeon either missed the majority of the planet or is simply not true. Secondly, I think that Thelema has enough to offer without trying to shoehorn one's mind into Crowley's aeon concept. Up to 30% of Americans no longer profess a religion.
