help them as a leader or manager is by offering periodic feedback. Soft skills development is an incredibly slow process, because it requires a change of personality and habit, rather than a change of knowledge. So, gently guide your employees down the right path and don't punish them when they veer away every now and then.

In Pune the Soft Skills
are a detailed
evaluation and
observation of one's
traits like- Body
language, Hand
gestures, facial
expressions, voice
modulations, eye
contact and
presentation skills;
these traits are then
gauged to get the final
result of selection or
