Manual Transmission - Standard
Transmission - Stick Shift Repair Manual
transmission... standard transmission...
stick shift... all different names for the
same type of drivetrain. The more
correct term is manual transmission,
because you shift it manually instead of
it shifting on its own like an automatic
transmission.

A good estimate cost for a transmission

File Type PDF Rebuild A Manual Transmission

rebuild at a shop is between \$1500 and \$3000 as of 2009. Doing it yourself would likely be under \$500, considering that all you have to pay for are the parts, not the labor. There are many variables. A rebuild is taking the transmission out of the car, opening up the case, and visually inspecting each part.
